APPLICATION NUMBER 2015/0064/HAE

Refusal of Householder Planning Permission

This decision notice is issued under the Town and Country Planning (Scotland) Act 1997, as amended. It should be read together with the official plans. If any details differ then the decision notice takes priority.

Description of the proposed development:

Installation of replacement windows

Location of the proposed development:

2 Dochart Road, Killin, Stirling, FK21 8SN

The National Park Authority's reason for refusal is:

- 1 The proposal is not supported by local plan policy ENV20, as it is not consistent with Killin Conservation Area Appraisal and the proposed replacement windows do not match the original in relation to materials, proportions, method of opening or appearance. The existing windows are in good condition and are capable of repair. Their replacement would have a cumulative effect on the erosion of the character and appearance of the Conservation Area.
