Dear Mr Watson,

## Loch Lomond and The Trossachs National Park Authority 2015/16 Audit

1. International Standard on Auditing (UK and Ireland) 260 (ISA 260) requires auditors to report specific matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. We are drawing to your attention matters for your consideration before the financial statements are approved and certified. We also present for your consideration our proposed annual report on the 2015/16 audit which identifies significant findings from the financial statements audit. The section headed "Significant findings from the audit in accordance with ISA260" in the attached annual audit report sets out the issues identified. This report will be issued in final form after the financial statements have been certified.
2. Our work on the financial statements is now substantially complete. Subject to the satisfactory conclusion of any outstanding matters and receipt of a revised set of financial statements for final review, we anticipate being able to issue an unqualified auditor's report on 21 June 2016 (the proposed report is attached at Appendix A). There are no anticipated modifications to the audit report.
3. In presenting this report to the Audit Committee we seek confirmation from those charged with governance of any instances of any actual, suspected or alleged fraud; any subsequent events that have occurred since the date of the financial statements; or material non-compliance with laws and regulations affecting the entity that should be brought to our attention.
4. We are required to report to those charged with governance all unadjusted misstatements which we have identified during the course of our audit, other than those of a trivial nature and request that these misstatements be corrected. We have no unadjusted misstatements to bring to your attention.
5. As part of the completion of our audit we seek written assurances from the Accountable Officer on aspects of the financial statements and judgements and estimates made. A template letter of representation under ISA580 is attached at [Appendix B](#). This should be signed and returned by the Accountable Officer with the signed financial statements prior to the independent auditor's opinion being certified.

Yours sincerely,

Asif A Haseeb

## **APPENDIX A: Proposed Independent Auditor's Report**

### **Independent auditor's report to the members of Loch Lomond and The Trossachs National Park Authority, the Auditor General for Scotland and the Scottish Parliament**

I have audited the financial statements of Loch Lomond and The Trossachs National Park Authority for the year ended 31 March 2016 under the National Parks (Scotland) Act 2000. The financial statements comprise the Statement of Comprehensive Net Expenditure, the Statement of Financial Position, the Statement of Cash Flows, the Statement of Changes in Taxpayers' Equity and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the 2015/16 Government Financial Reporting Manual (the 2015/16 FReM).

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. In accordance with paragraph 125 of the Code of Audit Practice approved by the Auditor General for Scotland, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

#### **Respective responsibilities of Accountable Officer and auditor**

As explained more fully in the Statement of Accountable Officer's Responsibilities the Accountable Officer is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and is also responsible for ensuring the regularity of expenditure and income. My responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) as required by the Code of Audit Practice approved by the Auditor General for Scotland. Those standards require me to comply with the Auditing Practices Board's Ethical Standards for Auditors. I am also responsible for giving an opinion on the regularity of expenditure and income in accordance with the Public Finance and Accountability (Scotland) Act 2000.

#### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the body's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Accountable Officer; and the overall presentation of the financial statements. It also involves obtaining evidence about the regularity of expenditure and income. In addition, I read all the financial and non-financial information in the annual report and accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements, irregularities, or inconsistencies I consider the implications for my report.

#### **Opinion on financial statements**

In my opinion the financial statements:

- give a true and fair view in accordance with the National Parks (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers of the state of the body's affairs as at 31 March 2016 and of its net expenditure for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2015/16 FReM; and
- have been prepared in accordance with the requirements of the National Parks (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers.

**Opinion on regularity**

In my opinion in all material respects the expenditure and income in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers.

**Opinion on other prescribed matters**

In my opinion:

- the part of the Remuneration and Staff Report to be audited has been properly prepared in accordance with the National Parks (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers; and
- the information given in the Performance Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

**Matters on which I am required to report by exception**

I am required to report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements and the part of the Remuneration and Staff Report to be audited are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit; or
- the Governance Statement does not comply with guidance from the Scottish Ministers.

I have nothing to report in respect of these matters.
