- 2.1 Members are invited to approve the Draft Calendar for 2017 Board, Committee and Group Meetings, attached as Appendix 1.

3. Background

- 3.2 As far as possible scheduling has aimed to take account of:
 - Timing of key statutory requirements and key events (such as the annual report and accounts);
 - Local school holidays;
 - Currently scheduled local authority council meetings;
 - Officer time to prepare papers, presentations and governance arrangements.
- 3.3 All meetings are currently scheduled to be held at the Park Authority Headquarters in Balloch. Depending on the cases presented to Planning & Access Committee or should site visits be required, these meetings may take place off site.
