REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

Thank you for your request for information, received by email on 8th March 2016.

We have applied the exemption under Section 39(2) of the Freedom of Information (Scotland) Act 2002 as we have determined that the information sought in your request is environmental information. We are therefore handling your request under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs). In this case the public interest in maintaining this exemption and in dealing with the request in line with the requirements of the EIRs outweighs any public interest in disclosing the information under FOISA.

Your specific requests and the response from the National Park Authority are provided below.

What is your estimate of the number of housing schemes that have not been formally adopted by your Council (at least over the past 5 years (2011 to 2015 - calendar or financial years as is easiest - or longer if known).

Please list a) the "occupied & virtually completed" but non-adopted schemes by known name (eg "The Hawthorne's and if possible a postcode) and indicate b) the developer (if known) and c) approximately the number of houses built under each scheme (eg 90).

For each scheme please indicate (where known) the reason for non-adoption:- (eg, A: Road Surface or Kerbing; B: Street Lighting; C: Drainage or Sewers; D: Open Space incomplete; E: Other works)

The Park Authority does not hold any information in relation to the questions you have asked. We are not a Council, and we are not a Roads Authority. The relevant Councils within the National Park area are:

- Perth & Kinross Council
- Argyll & Bute Council
- West Dunbartonshire Council
- Stirling Council

Yours sincerely
