

Schedule of Conditions

2 Dochart Road, Killin

Review Reference Number: 2015/007/REVREF

Planning Application ref: 2015/0064/HAE

Replacement Window Details: Notwithstanding the window details submitted, the replacement windows shall match the sizes, arrangement of window panes and method of opening of the original windows. Drawings of a scale of not less than 1:20 showing the size of design, style and finished appearance of each new window shall be submitted to, and approved in writing by, the Planning Authority prior to their installation. Thereafter the windows shall be installed in accordance with that approval unless amended in writing by the Planning Authority.

REASON: For the avoidance of doubt and to ensure that the proportions of the windows are in keeping with the original character of the windows of the house and to safeguard the character and appearance of Killin Conservation Area.
