

EIR Ref: 2017/020

9^h March 2017

REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

I refer to your request for information, received by email on 10th February 2017.

We have applied the exemption under Section 39(2) of the Freedom of Information (Scotland) Act 2002 as we have determined that the information sought in your request is environmental information. We are therefore handling your request under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs). In this case the public interest in maintaining this exemption and in dealing with the request in line with the requirements of the EIRs outweighs any public interest in disclosing the information under FOISA.

Your specific request and the response from the National Park Authority are provided below.

“Why has the planning authority not established the ownership of the berthing pier for the maid of the loch when it is adjacent to the proposed Flamingo land development.”

The Maid of the Loch leases its berth, engine shed and slipway from West Dunbartonshire Council.

Under the freedom of Information act can you also give me a list of all the areas or properties within the Loch Lomond and Trossachs National Park for which the planning authority has not established ownership.

The Park Authority has published a list of its assets, prepared in accordance with the Community Empowerment (Scotland) Act 2015, which can be found at: <http://www.lochlomond-trossachs.org/rr-content/uploads/2017/01/Asset-Register-Jan-2017.pdf>

The Park Authority does not have a list of other areas or properties within the National Park for which the Planning Authority has not established ownership. Accordingly I have to advise under S10(4)(a) of the EIRs that this information is not held.

Yours sincerely

Governance & Legal Team
Loch Lomond & The Trossachs National Park Authority
