

EIR Ref: 2017/036

19th April 2017

REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

I refer to your five requests for information, received by email on 28th March 2017.

We have applied the exemption under Section 39(2) of the Freedom of Information (Scotland) Act 2002 as we have determined that the information sought in your request is environmental information. We are therefore handling your request under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs). In this case the public interest in maintaining this exemption and in dealing with the request in line with the requirements of the EIRs outweighs any public interest in disclosing the information under FOISA.

Details in relation to Notices/Orders under the legislation you have referenced are recorded on our planning portal at: <http://www.lochlomond-trossachs.org/planning/planning-applications/find-an-application/>

I can therefore advise under R6(1)(b) of the EIRs that this information is already publically available and easily accessible.

Should you require information in relation to specific notices or orders that are on the planning portal, please submit a request with the relevant details.

The Park Authority is in the process of reviewing its TPO's. All relevant information is published on our website at: <http://www.lochlomond-trossachs.org/planning/planning-applications/make-an-application/tree-preservation-orders-national-park/>

I can therefore advise under R6(1)(b) of the EIRs that this information is already publically available and easily accessible.

Yours sincerely
