REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

I refer to your five requests for information, received by email on 13th September 2016.

We have applied the exemption under Section 39(2) of the Freedom of Information (Scotland) Act 2002 as we have determined that the information sought in your request is environmental information. We are therefore handling your request under the terms of the Environmental Information (Scotland) Regulations 2004 (EIRs). In this case the public interest in maintaining this exemption and in dealing with the request in line with the requirements of the EIRs outweighs any public interest in disclosing the information under FOISA.

The requests you submitted on 13th September 2016 are essentially the same as those you made on 22nd April 2016, (EIR Refs: 2016/12-16). There is no change to the information provided in previous responses 12-15). All relevant details in regards to Notices/Orders under the legislation you have referenced will be recorded on our planning portal at: <http://www.lochlomond-trossachs.org/planning/planning-applications/find-an-application/>

Should you require information in relation to specific notices or orders that are on the planning portal, please submit a request with the relevant details.
