

The Town and Country Planning (Scotland) Act 1997

Loch Lomond and The Trossachs National Park Authority Tree Preservation Order Number 5 of 2017

LOCH LOMOND AND THE TROSSACHS NATIONAL PARK AUTHORITY, an Authority established in terms of and acting under the National Parks (Scotland) Act 2000 and the Loch Lomond and The Trossachs National Park Designation, Transitional and Consequential Provisions (Scotland) Order 2002 and having its principal office at National Park Headquarters, Carrochan, 20 Carrochan Road, Balloch, G83 8EG makes the following Tree Preservation Order in exercise of the powers conferred by section 160 of the Town and Country Planning (Scotland) Act 1997 as amended and all other powers enabling it to do so.

Reason for making this Tree Preservation Order

The woodlands situated upon the property known as Dundarroch, Brig o'Turk, Callander FK17 8HT are good quality, predominately oak woodland, visually prominent from the both the public highway A821 and a core path running from Brig o'Turk to Achray Farm.

Following a change in ownership an area of the woodlands is subject to an application for development. Recent tree removal, which has reduced the woodland extent, has taken place prior to a planning assessment being undertaken.

The woodlands are adjacent to the River Teith Special Area of Conservation and Great Trossachs Natural Nature Reserve. Loss of woodland cover in this area would result in fragmentation of the woodland habitat and would also have a negative impact on the visual amenity for residents and visitors. A Tree Preservation Order would protect the woodlands in the event of development or future change in land use in the woodland affected by the tree preservation order.
