APPLICATION NUMBER 2017/0062/DET

Refusal of Planning Permission

This decision notice is issued under the Town and Country Planning (Scotland) Act 1997, as amended. It should be read together with the official plans. If any details differ then the decision notice takes priority.

Description of the proposed development:

Erection of office accommodation and formation of car parking area.

Location of the proposed development:

Sawmill Balliemeanoch, Strachur, Argyll And Bute, PA27 8DW

The National Park Authority's reasons for refusal are:

The applicant has failed to satisfy SEPA, or the Planning Authority, that the issue of flooding on the application site and resultant risk to property and life can be adequately addressed or mitigated by acceptable solutions, as required by this authority and by SEPA. Therefore, the proposal is contrary to Scottish Planning Policy (Flooding section), and Policy NEP13 of the Local Development Plan.
