

National Park Authority

Audit and Risk Committee Terms of Reference

September 2017

1. Membership and Quorum

- 1.1. The Audit and Risk Committee is covered by the Standing Orders for the National Park Authority Board as well as these Terms of Reference. The Audit and Risk Committee is a standing committee of the Board. The Scottish Public Finance Manual directs that public bodies such as the Park Authority are obliged to have an Audit Committee.
- 1.2. The Committee will comprise up to 6 non-executive Board members, one of whom will be appointed as Chair and one as Depute Chair. The composition and effectiveness of the Committee will be periodically reviewed by the Board. There is no limit on the length of time a member may serve on the Committee, so long as they remain a member of the Park Authority Board. The quorum for a meeting will be any 3 members. At least one member would ideally have recent and relevant financial experience.
- 1.3. In addition to the members, meetings will be attended by the Accountable Officer (Chief Executive), and normally by the Director of Corporate Services and other officers as required, as well as representatives of Internal and External Audit. A note-taker will also attend. None of the non-member attendees have any voting rights.
- 1.4. Other attendance by internal staff and external advisers will be as requested by the Committee. Additional members can be co-opted onto the Committee to provide specialist skills, knowledge and experience¹.
- 1.5. The Committee may ask any or all of the officials who normally attend to withdraw to facilitate discussions on any matter. The note-taker would usually remain.

2. Meetings

- 2.1. The Committee will meet at least four times a year and, although there is no requirement to do so, meetings will usually be held in public unless the Committee wishes to consider confidential matters. The Chair may convene additional meetings of the Committee and the Board or Accountable Officer may ask the Committee to convene further meetings to discuss particular issues on which they want the Committee's advice.

¹ The Scottish Government Audit Committee Handbook advises that co-option should not exceed a period of one year.

It will also provide scrutiny and oversight of statutory compliance responsibilities by monitoring and reviewing risk, control and corporate governance and provide robust assurance in these areas to the Park Authority Board. The Committee will oversee the conduct of internal and external audit and the process of preparation and approval of the Annual Report and Accounts.
- 3.2. The Committee will report to the Board verbally each quarter, and with a written annual report, summarising its conclusions from the work it has done during the year. The Board remains responsible and accountable for the financial, organisational and business performance of the Park Authority.
- 3.3. The Committee may procure specialist ad-hoc advice at the expense of the organisation, subject to budgets agreed by the Board or Accountable Officer.
