- vii Except as disclosed in the financial statements:

 - b none of the assets of the Authority have been assigned, pledged or mortgaged
 - c there are no material prior year charges or credits, nor exceptional or non-recurring items requiring separate disclosure.
- viii Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of the FReM.
- ix All events subsequent to the date of the financial statements and for which the FReM requires adjustment or disclosure have been adjusted or disclosed.

- xi The assumptions used in valuing the defined benefit pension scheme liabilities are considered appropriate
- xii We have no plans or intentions that may materially alter the carrying value or classification of assets and liabilities reflected in the financial statements.

We believe that no further disclosures relating to the Authority's ability to continue as a going concern need to be made in the financial statements.
- xiv We have reviewed the carrying value of property, plant and equipment and have noted no impairments beyond those already included in the financial statements. We confirm that we are comfortable with the carrying value of property, plant and equipment.
- xv We have reviewed the accounting for grant income, and confirm that we are comfortable that all relevant conditions have been met in relation to all amounts recognised as income in the year.
