

National Park Authority Board Meeting

Agenda Item 5 - Core Paths Plan Review
Appendix 4 – Online Consultation Demonstration

Your Views

* Is the amended core paths network sufficient to give people reasonable access across the National Park area?

- Yes
- No

You can provide a brief comment on the sufficiency below.

Please note there are further opportunities for comments later in the consultation.

Do you wish to **comment** on a specific:

- proposed addition
- proposed removal
- proposed realignment

Do you wish to **suggest** a specific:

- addition
- removal
- realignment

* Please navigate to the core path that you want to review. Here you can draw a line to define the core path that you feel requires adding, removing or realigned.
