

EIR 2019-018

22nd August 2019

REQUEST UNDER ENVIRONMENTAL INFORMATION (SCOTLAND) REGULATIONS 2004

We refer to your request for information, received on 12th August 2019. The information you have requested is environmental information, as defined in Regulation 2 of the Environmental Information (Scotland) Regulations 2004 (EIRs). The Park Authority has an obligation to deal with your request under the EIRs and an option to also deal with your request under the Freedom of Information (Scotland) Act 2002 (FOISA), unless the public interest lies in dealing with your request solely under the EIRs. We consider that the public interest in dealing with your request solely under the EIRs outweighs the public interest in also dealing with your request under FOISA, on the basis that the public interest is not served by duplicating consideration of your request under both regimes. We have therefore applied the exemption in section 39(2) of FOISA and dealt with your request under the EIRs alone.

Your requests and the response from the National Park Authority are provided below.

“We contacted you in January 2019 and requested information on Statutory/Enforcement Notices served under the Town and Country Planning (Scotland) Acts and Planning (Listed Buildings and Conservation Areas) (Scotland) Act.”

We have been unable to find any record of a previous enquiry from you on this matter.

We are looking to update the records we hold and wonder if you can please send us a further update of the above Acts from 1st January 2019 to the present day. If this can be sent to us in a Word or Excel document please that would be appreciated. We require details of reference number and the address of the subjects affected by the Notice.

Details in relation to Notices/Orders under the legislation you have referenced are recorded on our planning portal at: <http://www.lochlomond-trossachs.org/planning/planning-applications/find-an-application/>

We can therefore advise under R6(1)(b) of the EIRs that this information is already publically available and easily accessible.

Should you require information in relation to specific notices or orders that are on the planning portal, please submit a request with the relevant details.

“We know that some Councils have mailing lists for this information and we’d be grateful if you could add us to a mailing list if you have such a thing.”
