Action taken by us during the reporting year to promote the use of asset transfer requests:

Our website has a page on [community empowerment](#). This page gives examples of the range of ways people/communities can get involved in the work we do. We also provide links to key websites/documents that will help community bodies understand the asset transfer request process. Our asset register is published on our website. We aim to check/update it every 3 months.

Action taken by us during the reporting year to support a community transfer body in the making of an asset transfer request:

On our website we encourage informal discussions with us. We give our contact details and offer informal advice. Also if people are unsure of what opportunities there are or how these new requirements work, we highlight that support is also available from the [Community Partnership](#). We have updated our service level agreement with the Community Partnership to include this advice/signposting.

If you have any questions regarding this report please email communityempowerment@lochlomond-trossachs.org or phone 01389 722600 and ask to speak to the Communities Team.
