1.2 Control and influence:
   1.2.1 The organisation identified is controlled or jointly controlled by the person identified above OR
   1.2.2 The person identified has significant influence over the organisation or is a member of the key management personnel OR
   1.2.3 The entity provides key management personnel services to the Authority;

1.3 There has been a transfer of resources, services or obligations between related parties, regardless of whether a price is charged.
