GUIDANCE NOTES

The Loch Lomond Byelaws were introduced to reduce disturbance to wildlife, local people and visitors and to promote safety. The Byelaws require that all owners of all motorised vessels on Loch Lomond register their vessel with Loch Lomond & The Trossachs National Park Authority (NPA) and display the registration number on their vessel as per the prescribed manner.

All registered owners and/ or users of motorised vessels on Loch Lomond and their guests use Loch Lomond and any related facilities and/ or equipment entirely at their own risk. The NPA and its employees and agents shall under no circumstances whatsoever be liable to any person, whether in contract, delict (including negligence), breach of statutory duty, or otherwise, for any liabilities, loss of profit, costs, penalties, expenses, revenue, income, damages or any direct or indirect or consequential loss arising as a result of or in connection with the use of a motorised vessel on Loch Lomond. All warranties, conditions, guarantees, representations and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded by the NPA. Nothing in these conditions excludes the liability of the NPA for death or personal injury directly caused by the NPA's negligence or fraud or fraudulent misrepresentation on the NPA's part.
