Weekly Planning List

This Weekly Planning List contains details of all valid planning applications and all decisions taken each week by Loch Lomond & the Trossachs National Park. It also contains additional information on Planning Appeals, Local Reviews, EIA Screening and Scoping Opinion requests, Access Exemption Applications and Byelaw Exemption Applications. This list is distributed to all Board Members of Loch Lomond & the Trossachs National Park, Community Councils and Statutory Consultees.

National Park Planning Staff

If you have an enquiry about newly received planning applications, EIA screening or scoping requests, appeals, local reviews or planning decisions made by the National Park Authority you should contact the relevant planning officer or the Development Management Department on 01389 722024 or email <u>planning@lochlomond-</u>trossachs.org quoting the reference number of the application.

Enquiries regarding other information held in this list (Trees, Access or Byelaws) should be directed to the relevant officer or our main switchboard on 01389 722600.

Valid Planning Applications Received

Applications submitted are registered and given a unique Reference Number. This reference number should be quoted in all correspondence or enquiries. Once registered, the submission will be checked to determine if sufficient information has been provided in order to validate the application. Once valid it will be allocated to a Planning Officer and will show here on this list.

Delegated Officer Decisions

A significant number of applications received at the National Park are classed as "local developments", under the Hierarchy of Developments, and as such will be determined by our department under our <u>Scheme of Delegation</u>. There are some exceptions to this and details of these exceptions can be found within our Scheme of Delegation.

Committee Decisions

Applications that are not determined under delegated powers will be considered by the National Park's Planning & Access Committee. The Planning & Access Committee meet once a month and details of <u>Meetings and Agendas</u> can be found on our website.

Planning Appeals & Local Reviews

Applicants may <u>appeal against or request a review</u> of the Decision made on their application. If the application was determined under Delegated Powers (by our department) the Local Review Body considers requests to a review of the Decision. Where the initial decision was made by the Planning & Access Committee the process is to appeal to Scottish Ministers (DPEA).

Viewing Applications & Decisions

Details of Applications and Decisions can be viewed online at <u>www.lochlomond-trossachs.org/planning/</u>. Where you are experiencing difficulties in viewing an application of particular interest please contact us on 01389 722024 or email <u>planning@lochlomond-trossachs.org</u> to arrange a suitable alternative.

Further Information

We have a suite of advice leaflets to help you understand the various planning processes, and help you with the preparation of an application or pre-application enquiry.
