REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

We refer to your request for information, received by email on 17th November 2022. Your specific requests and the Park Authority's response are provided below.

'Please can your organisation provide the following information:

a) The number of roles in your association (expressed in numbers of FTE), that are mainly or exclusively focussed on issues of equality, diversity, or inclusivity. For example, this could include (amongst other guises) "EDI officers" or "diversity and inclusion project managers" but would not include general HR managers.

The National Park Authority has one FTE that is mainly or exclusively focused on issues of equality, diversity or inclusivity that does not include general HR managers.

b) Either a) the pay band of each of these roles, or b) the combined total salaries for these roles. Whichever measure is more in accordance with your data preferences.

The current pay band for this role is £32767-£39301

c) In the past 12 months the number of staff days across your organisation which have been committed to attending equality training programmes, whether internally run or with external consultants. (staff days = duration of the training programme multiplied by the number of staff in attendance for the course). If unable to provide please mark as N/A in your return.'

In the past 12 months, the number of staff days which have been committed to attending equality programmes, internal or external have been nil.

Yours sincerely
