Saturday 17th & Sunday 18th June for a fun weekend!

Welcome to the Community Cycling Hub at Loch Lomond Shores

In August this year, a special event is taking place, the 2023 UCI Cycling World Championships – Glasgow and Scotland, with two of the road races starting in Balloch.

To celebrate, you are invited to cycle to meet us or come and borrow a bike and join a guided tour or find out more about cycling safety and bike maintenance. For everyone of all abilities, including those who have never been on a bike before, or possibly not for a long time, or would like to try out an e-bike – this is your time to give it a go! Entertainment for everyone from 10am until 5pm.

All the cycling activities are **FREE** and are based outside the National Park Gateway Building at Loch Lomond Shores, Balloch, G83 8QL

So come and enjoy the weekend of cycling fun and entertainment with your family and friends or come along and meet new friends - everyone is welcome!

The cycling hub, run by West Dunbartonshire Council, is supported by Loch Lomond & The Trossachs National Park and Loch Lomond Shores. It is funded jointly by EventScotland and West Dunbartonshire Council.
