Dear

REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

We refer to your request for information, received by email on 13th March 2024. Your specific requests and the Park Authority's response are provided below.

"Please include the following information for the following years, 2019/20, 2020/21, 2021/22 and 2022/23:

- **A list of all the staff networks at the organisation**
- **Whether each network receives internal funding and, if so, how much (please express annually for the last four financial years)**
- **How much FTE equivalent staff time each network is entitled to. For example, a staff network may have a chair who's entitled to spend 10% of their working hours devoted to the network (please express annually for the last three financial years)**
- **A list of events that each network has held in this financial year so far (April to the present day), including the title of the event, information on any guest speakers and the time of the event."**

We are interpreting 'staff networks' as staff groups that generally take the form of protected characteristics, as part of a broader workplace agenda to promote diversity and inclusion. On this basis, I can confirm that the National Park Authority do not have any live staff networks.

Accordingly, we have to advise you under section 17(1)(b) of the Act, that there is no information held.

Yours sincerely

Information Management
