

Score sheet – LLTAF Recruitment 2024

Selection criteria

Applications will be scored against four criteria:

1. An interest in/experience of exercising access rights/enjoying outdoor activities and/or managing land used for access, or an interest in public access from another perspective.
2. A specific area of interest in one or more of the specified areas.
3. A broad understanding of access rights/responsibilities/SOAC
4. A broad awareness of the role of the National Park Authority

We will use a 0 – 3 marking system:

- 0 – no evidence/poor response/indicates no, or very little, understanding
- 1 – fair: referred to but not expanded upon/indicates some understanding
- 2 – good: referenced and some evidence/indicates good understanding
- 3 – excellent: clearly grasped and evidenced/indicates excellent understanding

Applicants must score 1 or more in all categories listed above, except understanding of the legislation/SOAC (category 3). Those scoring 2 and above in relation to 'specific areas of interest' (category 2, i.e. those considered suitable to fill representation 'gaps' in current Forum membership) will be positively weighted.

Scores will be totalled and the applicants ranked.

Before scoring, please read pages 2 & 3 of the [recruitment flyer](#).

Scoresheet follows, below:

Candidate	Location	Why interested in joining LLTAF, and relevant experience*	Specific interests: cycling, nature/wildlife, disability, community/business	**>2 Y/N	Understanding of public access rights and responsibilities	Give an e.g. of an access issue (to demonstrate understanding)	Describe NPA role in implementing the public's access rights	Total	Comments (highlight any applicants who have scored zero in any category except understanding of access rights.)

*Refer to [Recruitment Flyer](#) – 'Who/what are we looking for? - General attributes', pages 2 & 3'.

**Scored 2 or more on specific interests – insert Y/N
