Our Response

1. The National Park Authority has only been allocated a one-year settlement; therefore, only procurements for the financial year 2025/2026 are planned. There are three major projects planned. Two of these are currently advertised on the Public Contracts Scotland website; the third will be advertised there in due course. We have provided links to the listings, where available, per below:

- **New Café and Toilet Improvements - Tarbet**

https://www.publiccontractsscotland.gov.uk/search/show/search_view.aspx?ID=AUG537106

- **New Toilet Block and Shoreline Improvements at Rowardennan**

https://www.publiccontractsscotland.gov.uk/search/show/search_view.aspx?ID=AUG536058

- **Falls of Falloch Car Park Works**

For all of these projects, construction works are at the planning stage and until planning applications are concluded and designs agreed, the value of works and review periods will not be known. In terms of 'service categories', these are all 'works' contracts.

2. Information relating to contracts already awarded by the National Park Authority is published on the Public Contracts Scotland website. You can find this information by clicking on the following links:

https://www.publiccontractsscotland.gov.uk/Search/Search_AuthProfile.aspx?ID=AA12322

https://www.publiccontractsscotland.gov.uk/Contracts/Contracts_Search.aspx?AuthID=AA12322

As the requested information is already publicly available, it is exempt from disclosure under Section 25 of the Freedom of Information (Scotland) Act 2002.

Important Note

Please note that some contracts and services are delivered through government frameworks, commissioned via central arrangements that are not tendered directly by the National Park Authority.
