Dear XXX

REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

We refer to your email of 27 January 2026, in which you requested information from the National Park Authority. We have processed your request under the Freedom of Information (Scotland) Act 2002 and have provided our response below.

Your Request

I would like to make a freedom of information request concerning a camera I believe may be owned/operated by the National Park Authority in Aberfoyle. The camera is located between Aberfoyle Primary School and Aberfoyle Parish Church and points into a stream that flows into the River Forth.

My questions are as follows:

- 1.) Is the camera owned/operated by the National Park Authority? If it is not, do you know who does own/operate the camera?*
- 2.) What is the function of the camera, and how is the camera monitored (e.g., 24hrs, periodically, in response to incidents).*
- 3.) Could you please provide a still frame of camera's view?*

Our Response

The camera you have enquired about is not owned or operated by the National Park Authority and we do not hold any information about its ownership or operation. Therefore, we inform you under section 17 of FOISA that the information you have requested is not held.
