Dear XXX

REQUEST UNDER FREEDOM OF INFORMATION (SCOTLAND) ACT 2002

We refer to your request for information, received by email on 17 April 2026. The information you have requested is environmental information, as defined in Regulation 2 of the Environmental Information (Scotland) Regulations 2004 (EIRs). We have therefore applied the exemption in section 39(2) of FOISA and dealt with your request under the EIRs alone.

Your Request

Under the Freedom of Information act, please forward to me a copy of the current site licence for Balquhidder Braes Holiday Park, Balquhidder Station, Lochearnhead, FK19 8NX. Please also inform me of the date when the site owners, Eastlands North Wales Ltd, requested that the licence be amended to increase the number of chalets allowed to 16 (the original licence of 2004 had a limit of 6 chalets).

Our Response

In line with regulation 10(4)(a) of the Environmental Information (Scotland) Regulations 2004, we inform you that the information you have requested is not held by the National Park Authority.

Stirling Council is responsible for site licenses. We have contacted them and they have advised us that this information has already been provided to you. We therefore recommend that you contact them for clarification.

For your information, the National Park Authority is responsible for planning matters within the National Park. Information about planning applications, both current and historic, can be found by searching our planning portal, which is found at the following link:
